By John Denver

Intro      A7                      D

---

                 D                      D7      G  
There's a storm across the valley, clouds are rollin in  
                 A7                                      D  
The afternoon is heavy on your shoulders  
   D7              G  
There's a truck out on the four lane, a mile or more away  
                 A7    D  
And the whinin of his wheels just makes it colder

---

                 D                      D7              G  
He's an hour away from ridin on your prayers up in the sky  
                 A7    D  
And ten days on the road are barely gone  
   D7      G  
There's a fire softly burnin, suppers on the stove  
                 A7    D  
But it's the light in your eyes that makes him warm

---

[Chorus]

                 G                      A7                      D      D7  
Hey it's good to be back home again  
                 G                      A7                      D                      G  
Sometimes this old church feels like a long-lost friend  
                 A7    D  
Yes n hey, it's good to be back home again

D                  D7      G  
There's all the news to tell him, how'd you spend your time  
          A7                                  D  
And what's the latest thing the neighbors say  
                                  D7      G  
And your mother called last Friday, sunshine made her cry  
          A7                                  D  
And you felt the baby move just yesterday

---

[Chorus]

---

          D                  D7      G  
It's the neatest thing I know of, just spending time with you  
          A7                                  D  
It's the little things that make a church a home  
                                  D7      G  
Like the children softly praying, pastor preaching on  
          A7                                  D  
And the prayers in our hearts that makes us warm

---

[Chorus]

---

          G                  A7          D      D7  
Hey it's good to be back home again – you know it is  
          G                  A7                  D                  G  
Sometimes (Church name) church feels like a long-lost friend

Yes n hey, it's good to be back home again
