

God's Version of Me

by George Ludlow 5/7/14

D                    D            D                    D  
Once I had a vision of Gods version of me  
D                    D            D                    D  
I could clearly see what God wants me to be

Chorus 1

F    G                    D            D  
Suddenly the vision starts to fade  
F            G            D            D  
As the pages of my life get in the way  
F            G            D            D  
Of Gods version of me  
F            G                    D            D  
The one that I keep trying to be                    /tap-tap-tap-tap

D                    D            D                    D  
Year over year my hair turns a little more grey  
D                    D    D                    D  
And my 2 kids now are on their way

Chorus 2

F    G                    D            D  
I got so close so many times  
F            G            D            D  
To Gods version of me  
F            G                    D            D  
The one that I keep trying to be

D                    D            D                    D  
Now I'm at a crossroad time to bend a knee and pray  
D                    D            D                    D  
I know it's never to late to be like you and follow your ways

Chorus 3

5/7/14

F G D D

I got so close so many times

F G D D

And there were times I was far away

F G D D

To Gods version of me

F G D D

The one that I keep trying to be

**Instrumental**

D D D D  
Jesus I know you hear me you've answered all of my prayers  
D D D D

Thank you for the blessings you've giving me all these years

Chorus 4

F G D D

I'm getting closer all the time

F G D D

I'm getting closer all the time

F G D D

To God's version of me

F G D D

The one I keep trying to be

D D D D ( TALK )

We are going to finish the song with a
